[Weblog] Logipi Newsletter

Acting as your personal research assistants, LogipiBrief is a handpicked distillation of the most useful information about supply chain innovation, digital supply chain, and social media for supply chain. We deliver relevant articles you might not otherwise see to your desktop (and mobile). We do the research and you keep your business on track.

The newsletter is focused on collecting, aggregating and filtering news about the supply chain innovation, digital supply chain, and social media for supply chain. News is collected and organized by geographic region - North America, Europe, Asia, Middle East and Africa and Latin America - and distributed every business day.
